

Summer Family Fun for SOS!

Supporting SOS Grateful Hearts Campaign

Is your family wondering how you can keep busy this summer? Want to feel “full heart happy”?

We have a solution!

Summer Family Fun for SOS has been designed for local youth and families to help keep young minds busy and hearts open as we experience a summer like no other.

We're asking you to plan and host your own family fundraising event, or campaign, with the proceeds going to help restart our popular child, youth and family programs as soon as possible.

Due to COVID-19 and the temporary closure of our Thrift Shop, we had to halt many of our programs while we refocused our remaining resources on helping our most vulnerable residents. With your help, we can open our doors once again to families. We miss them too!

Get involved and help local kids thrive!

Your fundraiser could be a one-day activity, or you might want to plan something that will last the entire summer. Even with the restrictions still in place, you can get creative with unlimited fun possibilities! And we're here to help you get started!

Make a difference! Be full heart happy!
